I've been to several games this season and really enjoy seeing the ball park filled with kids and their parents, food and beverage prices are affordable, and the ball park layout is GREAT!

## Summer National Senior Basketball Games

Some 12,000 athletes and their guests recently descended on Louisville for the 18 sports associated with these games. The basketball competition was held in the South Wing of the KFEC from Saturday June 23—Sunday June 30. Dale Ramsay, “The Commissioner”, assigned over 900 games for this 8-day competition. Age groups included 50+, 55+, 60+, 65+, 70+, 75+ and 80+ for both men and women.

KBOA officials, both current and retired, did the honors for these half-court officiated games. The competition was intense, the sportsmanship was evident, and the appreciation was verbally communicated to our officials after almost every game for a very well organized event, great facilities, and good officiating. The Freedom Hall Denny Crum Court was used for courts 1 & 2.

Some familiar faces seen blowing their whistles included Sarge Donohue, Rip Hatfield, Denny Baldwin, and Andy Latkovski.

These games are held every two years and will be in San Francisco in 2009.

Maybe “The Commissioner” and Denny Baldwin will make plans for a Road Trip.

## Congratulations!

Steve Coffman was selected as a finalist for the Republic Bank “We Care Award.”

Tom Wallace and Kathy Sloan tied the knot on June 30th.
